REF: A. SECSTATE 197466

[1](#)B. PRAGUE 772

[1](#)1. Pol Specialist Nov 28 confirmed with the Interior Ministry that the Czech Republic plans to extend the Czech participation in police training in Jordan. The Ministry of Interior has already allocated the necessary financing. The proposal to extend is now being reviewed in the Czech interagency process. In December the Interior Ministry will forward the extension proposal to the Czech Government, and the measure will automatically be approved if no objection is raised. The Interior Ministry predicts the measure will pass without comment.
